MONITORS	
AUX 1	DRUMS (Voices and Bass first, then Keys, Samples and Guitar)
AUX 2	BASS (Drums, Samples and Voices)
AUX 3	GUITAR (Guitar first, then Keys and Voices)
AUX 4	KEYS (Keys and Voices first, then Samples and Guitar)
AUX 5	VOX 1 (Voices first, then Guitar and Samples)
AUX 6	VOX 2 (Vox 2 first, then Vox 1, Keys and Guitar)

TECHNICAL REQUIREMENTS:

- A small table or a stool placed close to the drums in order to put an I-Pad on (we use the I-Pad for samples and click)
- Francesco K Epiro (vox 1 and keys) sings some songs moving many times from VOX 1 place to KEYBOARDS place during the performances and even during the same song; so he needs two microphones with the same volume and effects always switched on both, placed in the positions Vox 1 and Keyboards. It is necessary in order to avoid some volume problems in the transition from one microphone to another.
